Laugh

*To laugh often and much;
to win the respect of intelligent
people and the affection of
children; to earn the appreciation
of honest critics and endure the
betrayal of false friends; to
appreciate beauty; to find the best
in others; to leave the world a bit
better whether by a healthy child,
a garden patch, or a redeemed
social condition; to know even
one life has breathed easier
because you have lived.
This is to have succeeded.*
